Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	Building 300 house on green belt land is not sound policy. In recent years there has been substantial investment in improving footpaths along the Bridgewater Canal and the wider area encouraging more local residents to get outdoors and exercise and enjoy the local area. Building on the green belt land in Boothstown is unnecessary and we will lose our open spaces that many of us enjoy.
