Please be as precise as possible.</b>                     | <p>this is greenbelt land where there are so many brownfields sites in and around the area why develop this land.</p> <p>Traffic is horrendous we have no metrolink access, to travel to manchester is a nightmare I myself have to leave at 6.45 to have any chance to get to work in the city centre. The train which is the fast route means i have to carry all my equipment to my place of work. If i drive the roads are horrendous and parking expensive. To get to Bury my previous town of work took over an hour at 7.30. in the end i would leave at 6.45 go to the gym near work to enable me to work out and get changed etc there.</p> <p>schools being a previous school governor i am aware of the lack of places. Even making Whittaker moss a 2 form entry hasnt managed to provide enough places.</p> <p>the area floods, this means that flood water needs to go somewhere. this will cause even more flooding to surrounding areas. The loss of hedgerows and mature trees will just compound this.</p> |
