Please be as precise as possible. | <p>As a resident of Ellenbrook I travel through Mosely Common to Tyldesley several times a week, the traffic is heavy at most times of the day. I think the A577 is particularly dangerous around the school , with parked cars and cars travelling over the speed limit. Bridgewater Road is also at high risk from speeding cars.</p> <p>Ellenbrook Medical Centre can not cope with it"s current patients numbers and I am not aware of any new provision being planned, equally it is a challenge getting an NHS dentist, my 80 year neighbour has had to resort to going private, which he can ill afford, as his dentist in Boothstown has closed down and he has not been able to get an NHS dentist.</p> |
