Over the last 2 years after two new developments already in the area, traffic is noticeably increased. My concern in particular is traffic on Mosley Common Road and also Bridgewater Road with traffic cutting through. Many drivers on Bridgewater Road travel in excess of the speed limit and it is only a matter of time before a serious accident occurs. This road is too narrow and has dangerous bends and can't take any more traffic bringing into the area. Green space is also being eaten up by overdevelopment. Schools and other amenities are also becoming oversubscribed.
