On travelling down the East Lancashire Road we were getting more apprehensive as we seemed to be moving to the country!</p> <p>Green fields and golf courses virtually all the way from Swinton.</p> <p>It has changed dramatically, particularly in the last few years. More and more housing not just on the ELR corridor but in Boothstown and towards Astley yet the amenities and infrastructure has not kept pace. Potential ELEVEN HUNDRED more houses will bring the area to a standstill. I'm retired now but still remember the crawl to work 10 years ago. I shudder to think what it would be like if this progressed. Too much traffic, noise and pollution. Overburdened schools and surgeries. ENOUGH IS ENOUGH.</p>
