Soundness - Positively prepared?	Unsound
Soundness - Justified?	Unsound
Soundness - Consistent with national policy?	Unsound
Soundness - Effective?	Unsound
Compliance - Legally compliant?	Yes
Compliance - In accordance with the Duty to Cooperate?	Yes
Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	The impact of the extra traffic on the local roads is going to cause the congestion that already exists to be even worse. There is also no provision for extra school places for all of the families who would live in these homes. There is no need for luxury homes in the area, there are many large and expensive houses already. What is needed if anything, are smaller, more affordable homes for young families.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	JPA 19 Bamford/Norden to be removed from the PfE
