Please be as precise as possible.	<p>The Mosley Common Rd/ A580 junction is chaotic already with alot of traffic using Bridgewater Rd as a rat run, and the Mosley Common route to Tyldesley is very heavily trafficked and rush hour and school dropping off and picking up times are particularly unsatisfactory. Trying to get a bus on the Guided bus route going in to Manchester at rush hour is already hugely difficult with the route already being heavily over subscribed. The excessive strain on GP, dental services, schools and shops make the scheme completely unworkable.</p> <p>The Mosley Common green area is the first area coming out of Manchester where wildlife can flourish and provides an area for recreation, be it for walkers, cyclists or joggers, and this area is being steadily eroded</p>
