Please be as precise as possible.	This land is green belt and one of the few green areas left in Worsley. It would be devastating to build houses here. The schools and doctors are already over subscribed in the area. The traffic is a nightmare and it is totally irresponsible to consider more houses in this area.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Do not build on this field. The wildlife would suffer, the people already living in the surrounding roads struggle to leave there own driveways in the morning with traffic problem.
