Please be as precise as possible.</b>	<p>We have very little greenbelt left for the Mosley Common residents. It has already been destroyed by the action of building 1000's of new houses throughout the area. There has been no thought of covering these houses with extra Schools, Doctors surgeries and road infrastructure.</p> <p>To continue with these proposals of a yet another 1000 houses will certainly be decremental to the residents of Mosley Common, Astley and beyond. Not only for their health and safety but also mental stress within this diverse community.</p> <p>Please stop this before it gets any further.</p>
