They are a hazard to pedestrians especially those with prams, young children, dogs and/or mobility issues.</p> <p>Also when thinking about cars and street planning- off road parking is essential often for 2 cars to prevent double parking on the road. I have no intention of giving up my car....if you want me to stay in this area, contribute to it's economy what are you doing for me? I am a high income individual and want to spend locally but this plan isn't encouraging me to stay in this area with my family.</p>
