I hope this is where I can register my objections to the plan. This form is very difficult for non professional people to understand. But from what I do understand, Wigan is proposing to take away what little bit of green belt we have left. Garrett Hall from the busway down to Thornton Road is crammed with too many houses already. I feel that developers are just grabbing whatever green space is left. Mosley Common Road is too busy to cross on foot. The traffic is already nose to tail most days. The traffic lights on the East Lancs junction are dangerous there are no amenities on the Mosley Common side of the A580. No doctors or chemists. I have lived here over 50years. I am not a 'nimby' I know houses are needed but Wigan should be using brownfield sites first.
