Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>Building another 1100 house to our area is a very very bad move. We are already stretched to maximum. Main road gets congested all the time, there NO provision provided for more schools, nurseries. NO GP surgeries, no dentists, no green belt, not enough spaces for children to use, such as playgrounds.</p> <p>There is no connection between new estates and Chaddock Lane which could help out to ease the traffic. More cars means not only traffic but also people over speeding in Mosley Common. Please give kindly consideration as more houses built without necessary facilities provided is calling for disaster</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Provide more routes to ease the traffic and congestions. Provide more facilities such as: primary school, gp surgery, dentist surgery, playground.
