<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	I feel that the plan for the Northern Areas is laudable but could go much further. Wigan, Leigh, Bolton, Bury and Rochdale in particular need significant support and it needs to be high priority. Plus, transport links tend to be radial rather than circumferential, therefore a better ring-road/rail/tram system could be considered. The idea of links into the city and out again increases congestion and is bad for the environment. Improving outer travel and transport links around Greater Manchester"s perimeter would be a massive improvement.

I wholeheartedly agree with a strong focus on prioritising the re-use of brownfield land but the selective release of Green Belt is a detrimental step. The need for some brownfield sites to be turned green within town centre areas is not really covered.  There is also a short reference to Hulton Park is the proposed site for a Ryder Cup golf course. However, there is no reference to Hulton Park being an historic landscape but a development opportunity and no mention of it being referred to the Secretary of State!

Overall, the plan seems to really put green space to the fore and includes significant provision for tree planting. However, I can't find any reference to Historic England and their Register of Parks.

<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	In respect of areas for recreation, the plan seems to really put green space to the fore and includes significant provision for tree planting. However, I can't find any reference to Historic England and their Register of Parks. These are important recreation areas and inner city/urban oases that are important and deserve more emphasis in the plan.
