Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	The traffic in the area is already terrible with the additional cars from these houses the roads would grind to a halt. School places are also difficult to find for local residents and additional strain on doctors surgeries would be unacceptable. The area is losing more and more green spaces and the effects of more traffic pollution on air quality is surely not permissible. Flooding in the area is becoming more common and this would only make things worse.
