| Redacted comment on supporting documents - Please give details of why you consider any of the evidence not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. | It is unsound to use green belt for any development, especially when 'green spaces' are planned. Plan 'green spaces' and leave the green belt as it is. It is contradictory to plan cycle routes and then expand the airport. The airport has already taken over enough green spaces. |
