<p>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</p>	<p>This seems to be an idea to make other people happy with "extra green belt", although most people think every green field is green belt around this area.</p> <p>I think it is a time wasting exercise here adding extra parcels of green belt land which dont appear to be relevant to the areas. Hattersley was made from a green field and the open space around the village has not been developed on. Houses were cleared years ago but nothing has replaced them.</p> <p>I think this is just a idea to solve other peoples complaints. It would be easier to just leave these parcels of land as they are.</p>
