Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>There are no facilities to support more housing in this area. The roads are already busy and more homes means more traffic.</p> <p>The land in question is the only open space where children can play safely. There are also several football matches taking place at the weekends on these open spaces.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	I simply would not be able to justify any more housing at all in this area.
