The roads need to be improved prior to this housing being built. It currently takes me over an hour to travel 4 miles to work (public transport isn't delivering for this trip).</p> <p>This vision takes no account of the very real struggle of travelling efficiently in and around Salford.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Build roads before building houses. The costs of purchasing these properties will be extortionate and out of reach for most Salford residents
