Please be as precise as possible.	<p>Houses are too large, there are plenty of those already. I would say smaller properties are more necessary also, I would say, brown sites are available. Green belts should not be tinkered with. JPA19 would interfere with the local green belt. in fact, it would remove it. this space is so important to locals for many reasons including physical and mental wellbeing.</p> <p>Extra traffic would also be a problem along with local facilities, eg doctors, schools etc. already being oversubscribed.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	remove JPA19
