<b>Compliance - In accordance with the Duty to Cooperate?</b>	No
<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	These areas are already present and used by the public, considering the building projects on green belts they will be dwarfed. We need more green belts in these areas and we need to start re Wilding. Not enough green zones at all.
