Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	Worsley village and surrounding roads are nearly gridlocked during rush hour and it only take 1 accident on the M60 to bring traffic to a standstill. Introducing another 350 houses into the local area will add to the problem and worsen air pollution. It does appear to contradict what the Greater Manchester Green Air policy is trying to achieve. The RHS Bridgewater is a great asset to the area providing green space for the foreseeable future although you will have to pay to assess the site. However, the increased traffic congestion caused by visitors has a negative impact on the surrounding area.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Preferably retaining this land as green belt or markedly reducing the number of dwellings envisaged.

<p>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</p>	<p>I fully support the addition of the West Salford Greenway to be designated green belt as it is vital to maintain a green corridor abutting Worsley Woods. The woods are visited by numerous people and a sense of countryside has to be maintained by not allowing fields in this area to be built on and take away from the positive aspect of the woods,</p>
