Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	Building on land that is used as leisure by the public and equally shared by valued wildlife. Building on flood land. None of these meet any of the above. I note for Oldham there is only ONE area for proposed green areas. ?? This is unfair and unjust.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Flood land, preservation of wildlife and nature including tree preservation. Takin into account the mental health, obesity, and exercise and fresh air with family and friends do not seem to have been taken into account.

Compliance - In accordance with the Duty to Cooperate?	No
Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>This is a natural flood land. It has trees and plants which should be protected. Wildlife including deer, badgers, foxes, bats, pheasants, a large variety of birds including kestrels, owls, kites etc etc. The roads around this area are already gridlocked, schools are full, go surgery"s are working to overload.</p> <p>This land is used for exercise and nature watching promoting mental health, obesity, exercise. We should be teaching and showing our children wildlife in their natural environment and not just a picture in a book!</p> <p>I also note under the proposed greenbelt areas, there is only one for Oldham???? This is so unfair</p> <p>Areas around this land are quite deprived area and now you propose to take this away too!</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Abandon the building plans for this valued area. Make this area a green area protecting the wildlife and nature, protecting the trees and plants, protecting us from being flooded.

Please be as precise as possible.	<p>This land is used by locals for exercise. This land is backed onto quite deprived areas, it is needed to help promote mental health, obesity exercise. How wonderful to teach and show your children owls, deer,badgers,foxes, birds of prey. How exciting to walk through grasses that are taller than you!</p> <p>It is a natural flood land, already prevent floods form the houses that have been there for years.</p> <p>Roads, schools, gp"s, dentists etc are already full to capacity</p>

<p>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</p>	<p>Abandon this thought of building on such valued land completely</p>
