Compliance - Legally compliant?	No
Compliance - In accordance with the Duty to Cooperate?	No
Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>In a civilised society, in an area with more than adequate housing for the population, it cannot be right to turf someone out of their home, their lands and deprive them of their living. It is outrageous.</p> <p>By building so many more houses you will put a truly unacceptable burden on local roads and amenities causing a lowering of living standards for your existing residents.</p> <p>That is the opposite of progress and Wigan council need, for once, to put quality of life above profit and money in their coffers for once.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	<p>Remove the plans completely. Leave us some green space and do no further damage to your residents quality of life.</p> <p>Wigan council is becoming notorious due to its greed and lack of care and consideration for its own residents.</p>
