Please be as precise as possible.</b> | Leigh Road has already been classed as the busiest/worst road in the region. This will only add to that. Why always build on green space. We are losing more and more in the m28 area. The roads are horrendous with traffic but also the state of them. There has been a sink hole (the 3rd in 10 years) on Newearth Road for over a month now where there has been no work done on it. More cars will mean even more disrepair to roads. There aren't enough school places in the whole of m28 for primary schools how will schools cope with the influx of subscriptions |
