<b>Soundness - Effective?</b>	Unsound
<b>Compliance - Legally compliant?</b>	No
<b>Compliance - In accordance with the Duty to Cooperate?</b>	No
<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	There is not enough space on the roads for a further 1100 houses in Mosley Common. The traffic is horrendous as it is and is always over capacity at the best of times. There"s not enough doctors, dentists, schools and shops to cater for these further 1100 homes, residents are already struggling as it is to get places at a doctor, dentist and school.
<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	You need to improve the roads, better routes to get around the area. Also as well we need more schools, doctors and dentists to accommodate for these extra people.
