Please be as precise as possible.	<p>I Consider this to be an unacceptable plan, not only are you losing valuable greenbelt land, but you are losing valuable habits and increasing the risk of flooding in an area floods easily. The traffic in this area is already at an unacceptable level and any increase on this scale would make it completely unworkable.</p> <p>The facilities in this area are already under enormous pressure, schools, Dr"s Surgeries, where no one can get appointments as it stands. One of the most worrying to me is the pressure on the local hospitals, where in an emergency attending A and E services it is not uncommon to wait up to 5 hours to be seen. I have recent experiences of this.</p> <p>I a time when we should be much environmentally aware, this plan is wrong on so many levels.</p>
