Please be as precise as possible.	<p>This is sacred, green belt land. Tameside council are pushing their own agenda without taking into account the wants or needs of its constituents - not to mention the nepotism and conflict of interests abound in this project.</p> <p>The infrastructure is not there and the land to be developed on is a precious ecosystem that should be preserved and not destroyed.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	<p>Find somewhere else - and stop selling available land to private developers. We wouldn't be in this situation if the council didn't sell for a quick profit and no long term gain.</p>
