Traffic on Hazelhurst Road is already busy as it is used as a cut through, but cannot cope with two way traffic as it is a residential street (queues often form as cars have to pull over to let the oncoming traffic pass). Traffic queues on Hazelhurst Road to the East Lancs junction at peak hours, creating congestion, pollution and danger for children walking to Moorside High. Speed bumps have already been used to slow down traffic using Hazelhurst Road as a cut through. Green space on Hazlehurst Farm is accessed daily by the local community, important for social and mental wellbeing. Fauna and flora on the green space will be endangered. 400 homes will create 600 to 800 additional cars to an area which is already busy (see above points). Public transport options are limited to the East Lancs busway into Manchester. Other options are very limited - meaning the impact on local roads and the East Lancs junction will be huge. How will the development be accessed? Via small residential streets
