There are for one not enough schools,Doctors,Dentist in the area to cope with such a flow of people not to mention the extra cars some 1500 extra vehicles on the small roads which are over flowing now.</p> <p>I've spent over 25 years in this area and seen it grow to bursting point! Litter on the floor,flooding,it"s just not a good idea to put this stress on the area which has far to many people in this small area now.</p> <p>Plus consider all the pollution from the cars on our children and elderly who live here now and also the wildlife that has a right to live here just like us that will die!</p> <p>This os not just now but for the future of our people and children.</p> <p>We DO NOT WANT THESE 1100 homes full stop it"s not the area for them☐</p>
