Soundness - Effective?	Unsound
Compliance - Legally compliant?	No
Compliance - In accordance with the Duty to Cooperate?	No
Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>Council say we need to accept the plan or one will be imposed by Government. Residents being told this is the best option but there are better options available like renovating empty buildings (some are historic landmarks that could be used a apartments). Many residents are still not aware of the plans and have not had the opportunity to have a voice.</p> <p>A new plan needs to be developed that considers Global climate concerns and not just a re hash of the original plan. There are plenty of better solutions and a re think is needed to protect our environment.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	This plan needs to be scrapped and residents must be consulted so that all residents have a chance including those with learning difficulties or language barriers.

Please be as precise as possible.	<p>Many residents don't really understand what is happening so are unable to respond. Decisions were taken during lock down and many are still not informed about what is happening. The council say this plan should be accepted or the Government will enforce a worse one but I have been advised that this is not true, the Government is not going to force a plan through.</p> <p>Many residents find the information too difficult to understand and the information is misleading. We just need an honest plan that we can look at and decide on.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	This plan needs to be scrapped and we need a proper plan with more input from residents.
