<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	I thought overcrowding was a thing of the past! Not now it seems! If there"s a patch of grass, ground, etc, let"s build on it" springs to mind! Infrastructure is not only essential but it makes for good mental health! The thought that someone in power has a pen & can ruin so many people"s lives is beyond a joke! You as a conglomerate of Boroughs need to stop this & make it up to the areas concerned as to what happens to a single Borough to the people & inhabitants involved.
