Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	Green belt build is illegal, the fact the question is asked is disgusting, your will have to app,y for permission before you can proceed to which should not be a question to start with, the rule is simple for us residents which pay for the services and keep you civil servants (Andy Burnham and co) in a job, do what you campaigned to do and protect the current and whole green belt allocation. This is in reference to slattocks expansion of housing.
