Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>The Places for Everyone document is just a repeat of original proposal for all the Greater Manchester Boroughs. The data is out-of date due to the length of time this has been going on and changes in UK demographics.</p> <p>THE PROPOSED HOUSING FOR SLATTOCKS IS NOT AFFORDABLE HOUSING.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	<p>"The whole plan needs to be scrapped and a new up-to-date document needs to be researched and drawn up.</p> <p>The figures originally quoted are not correct now as the demographics of the area has changed.</p> <p>The proposed use of Greenbelt in Slattocks is unlawful when there is brownbelt to be used in other areas.</p> <p>The roads and support services cannot cope with increased housing in the area, they are already at maximum capacity and getting worse. The health of residents is suffering due to traffic fumes and the mental health of residents will suffer if Greenbelt that they use for recreation is used for housing. The countryside footpaths in the area and along the canal were used by hundreds of people during the pandemic and continue to be used by them. Having lived in this area REDACTED TEXT I can say that the countryside in the area has not been used more than it is now. I chose to live in this area because it is countryside, that was my neighbourhood of choice!!</p> <p>It cannot be taken away as it is the only Greenbelt land between Rochdale and Manchester along the main road.</p>

Places for Everyone Representation 2021

	Building houses and warehousing in Slattocks will not change the economy of the area as the houses will not be affordable to warehouse workers and would be bought by people who work in other areas fo Greater Manchester. Additional warehousing is not needed as buildings on Stakehill estate are constantly empty as are other warehouse estates in Rochdale, some not even completed as there is no call for them."

Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters	<p>A new plan needs to be drawn up, not a re-hash of the original.</p> <p>We have had a census in 2021 since both the original Spacial Framework and Places for Everyone were drawn up.</p> <p>Only then will there be up-to-date information and housing and warehousing need properly identified.</p>
