Please be as precise as possible.	<p>Key access routes around this proposed location are already heavily trafficked and classed as operating 'over capacity' as a resident in this area the prospect of an absolute best case scenario of one extra car per household built means a longer commute, early drop off time at child minders for my children, extending an already very long school day for them and means that after school provision will be closed by the time I am likely to return home from work should there be extra traffic brought to the area.</p> <p>The facilities in Mosely Common are already very limited. I did not receive my desired school place for my first child, or my next three choices. We were placed in our 5th choice and furthest away school. To walk to school would take in excess of 40 minutes REDACTED TEXT. How will the extra children who will be brought into the area be catered for when local schools are already over subscribed?</p>
