Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>The vision is around housing and transport however there is nothing to indicate that service such as doctors dentists and schools, to support the community. I currently am unable to locate and dentist for my son within the local area. The traffic doesn't move in the morning, there is only one bus into Manchester from boothstown and it sits in traffic. More houses is NOT what we need.</p> <p>The report talks about well being and nature but this proposal is removing all the views when you talk a walk, and the wildlife that lives there.</p>
