Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Reduction in greenbelt is unsound. There should be more building on brownfield sites, and less on greenbelt.

Please be as precise as possible.	Although the plan says that it prioritises brownfield development, the reality in the south of the area is that significant areas of natural landscape are being lost. Replacing natural environments with managed parkland is proposed, but not on a like for like basis in area, and in any case, managed parkland does not supporting the same level of biodiversity as wilderness or organic farmland. This is bad for the environment which goes against one of the key aims.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Do not build on existing green belt land. Look at the poorer areas of the city and improve the environment there by innovative planning for high quality social housing on brownfield sites. This will reduce inequality

Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	By removing greenbelt areas around Timperley, Hale Barns and the airport, the more affluent business people will vote with their feet and head for Cheshire, leaving the shops in Altrincham underused and the town centre even more run down. Loss of greenbelt is a major issue. Farmland is a lung for the city.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	See above. Prioritise brownfield development in action, not just in a meaningless statement.
