Please be as precise as possible.	The traffic in Mossley Common is already a very big problem. During rush hour the queues are very long, and this is also an issue now outside of rush hour. There isn't a good time to go out in the car. We are very close to the Lancs which brings heavy traffic including very big and large motorway traffic. This scares me as there are local schools and its just an accident waiting to happen. The parking on Mossley Common road for all the residences makes it hard to get through in your car and on the pavement as a passenger, with a pram or a wheelchair. As we already don't have enough parking facilities for the residents and people visiting the local shops. I am unable to see my GP as the waiting list is very long, I cant get an NHS dentist in the area and have to travel to Cheadle to be able to see a Dentist. Everytime I go to the Post Office the queue is down the road, the same with any local takeaway establishments on weekends.
