Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>There are many unused and undeveloped brownfield sites that have better access to transport and facilities.</p> <p>The land proposed is public space that many locals use including myself to walk in nature workout having to drive to the moorlands, I am concerned how this will affect my own family"s wellbeing and mental health with less access to green spaces in Bamford/Norden.</p> <p>The community will be forced to take to the roads to enjoy green spaces and nature and will contribute to the congestion and pollution that would affect the area from the new developments also.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	<p>Consider brownfield sites that are currently not being prioritised for development.</p>
