| Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. | <p>The proposal is based on out of date data and needs revision. There is no need to destroy our precious green belt for unnecessary housing.</p> <p>Use of brownfield sites would be much more effective.</p> <p>The houses built will create yet more flooding in the area and the already saturated roads will be even worse.</p> <p>The need to build so much on the west side of Bury is counterproductive when the motorways are to the east and south!</p> |
| Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above. | <p>Re review the housing needs for Bury.</p> <p>Distribution of new housing across the borough, not all concentrated in one or two areas.</p> <p>More public consultation. Many people still are unaware of the proposals and what it means for us who use the green belt areas.</p> |
