<b>Soundness - Consistent with national policy?</b>	NA
<b>Soundness - Effective?</b>	NA
<b>Compliance - Legally compliant?</b>	NA
<b>Compliance - In accordance with the Duty to Cooperate?</b>	NA
<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	Since the houses at Parr brow have been built and now Lidl and starbucks the traffic is absolutely horrendous, some days it takes a long time to just get off our estate, Traffic is queuing all the way back down mort lane and in the winter when it rains the road gets flooded. There is nowhere near enough doctors, Dentists or schools in the local area. There is very little greenery left in the area and the pollution levels are increasing due to the volume of traffic coming through the area.
<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	All of these extra houses will produce extra traffic extra pollution, damage to the greenery, no outside space for people to enjoy, roadworks will disrupt everyones journeys and flooding occurs on Mort lane all the time. There is not enough school places, doctors or dentists in the local area. There is a risk of road danger with the increased volume of people and cars
