<b>Soundness - Effective?</b>	Unsound
<b>Compliance - Legally compliant?</b>	Yes
<b>Compliance - In accordance with the Duty to Cooperate?</b>	Yes
<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	<p>Greenbelt</p> <p>The accessible land adjacent to Norden Road is easier to walk then otherwise having to drive to access Ashworth Valley. Its a "green lung" / "corridor" between Bamford Chapel and Norden. and therefore precious to us.</p> <p>Traffic</p> <p>Norden Road under this plan would have to be one way. In busy times its barely viable as two way, one broken down or parked vehicle could cause chaos in go to work/school times.</p> <p>If changed to one way, all the current traffic would go along War Office Road plus new traffic generated by the plan, therefore traffic control would be needed at the junction of Norden Road/War Office Road causing congestion at busy times, leading to far higher environmental pollution and driver frustration.</p>
<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	The modifications we seek are JPA 19 Bamford/Norden to be removed from the PfE
