We also have stretched public nhs services that are under pressure and nothing is being accommodated in the area! Schools are full Gps you cannot reg as they are full! We have limited road capacity with a one way around system that at peak times is a nightmare! Trying to access the east lincs is a nightmare, I REDACTED TEXT see my drive being used as a high powered racing track with people using it as a cut through to get caught at park field trying to get through! Lets keep some of our beautiful countryside! When friends visit and we go for a walk they cannot believe what we have on our doorstep! You want all these houses built at the cost of overstressing the services of what we already have. I am totally disgusted that the heritage local farms, old halls beautiful landscapes are being built on for what! ! MONEY! It's a disgrace I am totally disgusted with what is happening here! We are losing so much for the future generation! We are just wrecking the area without any thought! Think about actions PLEASE</p>
