Please be as precise as possible.	<p>Residents of Mosley Common and the immediate surrounding areas are already totally blighted by too much traffic and not enough key support facilities.</p> <p>Current traffic levels are currently totally unmanageable and excessive, particularly at key commute times.</p> <p>This is undoubtedly already having an effect on the health of our local children and vulnerable residents.</p> <p>There are also currently massive pressures on key support services including schools, GP and Dentist surgeries.</p> <p>An additional 1100 homes will only further add to the considerable current pressures on key services with no additional support whatsoever being proposed.</p> <p>These plans are wholly inappropriate and unacceptable for a community already under massive pressure to lead normal stress free lives due to horrendous traffic problems and massively stretched key services.</p>
