Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	An extra 1100 houses at a point where traffic is already congested, local amenities are already overloaded. Schools, Doctors are already full. Wigan Council will not be satisfied until all our green spaces are built on. There is already a lack of open spaces for people to use. The emergency services are already stretched and cannot cope. Wigan Council will promise local people improvements to roads, buses, schools and other amenities, but we all know this won't happen.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Find a better, less congested area to build.
