Please be as precise as possible.	There should be no emergency access through St. Cuthberts Road. This would be a security issue for the existing estate if it's linked to fitton hill as it provides an additional exit from the estate. It would increase foot fall on the estate past houses that have no public pathways on St Cuthberts Fold. This would mean people evitably using the exit as a cut through and walking through peoples property or on the road. The estate simply was not designed with an exit in mind.
