Adding another 1100 properties, plus their associated vehicles, will make this even worse.</p> <p>The local guided busway is very good, but buses often don't stop (and are inaccessible) at rush hour due to being full. Adding another 2000 local residents to the area will only make this problem worse for everyone.</p> <p>It is very difficult to get into a local doctor or dentist at present. This will be worse if 1100 new homes are built.</p> <p>The area I live in is fairly green and rural at present. By adding 1100 homes it will become a huge construction site and will have a major affect on local wildlife and the quality of life for local residents.</p>
