Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	<p>Undertake an up to date and realistic assessment of housing need not referring to outdated data.</p> <p>Listen to residents rather than to Developers whose only interest is gain and profit .</p> <p>Ensure that the process is transparent and understandable by the average man in the street to make sure that the process is inclusive.</p> <p>Undertake a full and independent environmental assessment to assess the impact of the plan in relation to national and international environmental commitments .</p>
