Compliance - Legally compliant?	No
Compliance - In accordance with the Duty to Cooperate?	No
Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	It seems that the whole process is designed to deter people from commenting or giving their views. The forms are unnecessarily convoluted and repetitive.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	It is task of national and local authorities to ensure that this process is legally compliant and sound according to the views of the electorate. However, the electorate has little trust or faith in their judgement. Designing convoluted, repetitive and loaded questionnaires (such as this) are evidence of how national and local authorities try to go ahead with their unwanted plans whilst claiming that the people were consulted.
