| Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. | This development will not benefit the local area and residents who already live there.It will put more demand on already stretched in for structure and roads.It will also increase traffic into an already busy road system and add more pollution .It will also increase demand on local immenaties which may not be able to cope with increased demand. |
| Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above. | The plan is legal but this does not make it right and a sound decision. |
