Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	I have no idea if it's legally compliant or not as I am not an expert. It's morally unsound to put a new road through the car park of a well established crown green bowling club though. Shaw Comrades Bowling club has around 150 members, mainly older people who use this club to play competitively and for pleasure, company and exercise. It's an oasis of calm in an overcrowded and busy borough. An access road would totally ruin this, and for the fishing club members too in the adjacent pond off Mill Pond Close, off Refuge Street. I'm not sure what the proposal means for the existing car park for both the bowlers and the fishing members. Some of the bowling members have mobility issues and I'm not sure they'd be able to access the club if the adjacent car park was taken away. It's a real community hub that bowling green. It's maintained by the members, - the gardens, the green, the rubbish collection & recycling and they take an enormous amount of pride in it without it taking from council coffers. Please don't ruin it for current and future members.
